

Refrigerated display cabinet 2 doors LC-850

Product codes:

Reference: 1355

EAN13: -

UPC: -

Product description:

• Material and Design

- **Exterior and interior:** Painted white steel sheet, durable and easy to clean.
- **Doors:** 2 hinged doors with double tempered glass and anti-condensation system.
- **Shelves:** **5 height-adjustable shelves**, perfect for organizing products according to your needs.
- **Lighting:** Vertical LED lighting to highlight products and improve visibility on each shelf.
- **Recessed handle:** Integrated into the door frame, with right-hand opening.

Capacities and Functionalities

- **Capacity:** 850 liters, ideal for a wide variety of refrigerated products.
- **Temperature range:** From **0°C to 10°C**, adjustable via a digital controller.
- **Cooling system:** Dynamic, with a fan that distributes cold evenly throughout the space.
- **Insulation:** Eco-friendly cyclopentane with a thickness of **55 mm**, ensuring excellent maintenance of internal temperature.
- **Automatic defrost:** Programmed to keep the system ice-free and optimize performance.

Technical Specifications

- **External dimensions:** 1200 x 630 x 2000 mm (width x depth x height).

- **Power:** 420W.
- **Power supply voltage:** 220-240V AC / 50Hz.
- **Energy consumption:** 2.2 kWh/24h.
- **Refrigerant gas:** R134a, efficient and low environmental impact.

Additional Features

- **Lock:** Equipped with a lock to protect the contents.
- **Wheels:** Includes **4 wheels, 2 with brakes**, to facilitate movement and fixing.

Product Advantages

- **Large capacity:** Perfect for displaying beverages and food in large volumes.
- **Exceptional visibility:** Tempered glass doors and LED light that highlight displayed products.
- **Energy efficiency:** Thanks to the dynamic cooling system and the use of R134a gas.
- **Versatility:** Adjustable shelves for efficient and adaptable organization.
- **Practicality:** Wheels with brakes that facilitate use and maintenance.

Product features:

Power Supply Voltage: 220-240V 50Hz
Power Watts: 420W
Refrigerant Gas: R134a Gas Compressor
Model: LC-850
Temperature Range: 2° to 10°C
Measure: 1200x630x2000mm
Door: Glass
Number of doors: 2
Cold: Refrigerador 1 Puerta
Type of Door: Folding
Cold Hot Neutral: Cooling

Product short description:

The **Refrigerated Display Cabinet LC-850** is an ideal solution for displaying and preserving products in bars, restaurants, supermarkets, and shops. With a capacity of **850 liters** and **two tempered glass doors with an anti-condensation system**, it offers ample space for storing products in an organized and attractive manner. Its dynamic cooling system assisted by a fan ensures uniform cooling throughout the interior.
