

Electric Pallet Truck EPT-15D

Product codes:

Reference: 1540EW

EAN13: -

UPC: -

Product description:

Main Features:

- **Model:** EPT-15D.
- **Brand:** Eutron.
- **Load capacity:** 1,500 kg.
- **Lift height:** 200 mm.
- **Fork dimensions:** 685 x 1,150 mm.
- **Outside width of forks:** 550 mm.
- **Battery:** 24V/20Ah (maintenance-free).
- **Charging voltage:** 220V, compatible with standard EU plug.
- **Motors:**
 - Drive motor: 0.75 kW.
 - Lift motor: 0.8 kW.
- **Color:** Red.
- **Total weight:** 150 Kg.
- **Weight (without battery):** 142 Kg.
- **Battery weight:** 7.8 Kg.

Advantages:

- **Lithium battery:** Offers fast charging and greater autonomy to maximize productivity.
 - **Compact design:** Perfect for operating in tight spaces and congested areas.
-

- **Electromagnetic brakes:** Ensure safe and controlled operation.
- **Robust construction:** Durable materials that withstand daily intensive use.
- **Versatile handling:** The forks allow handling of different sizes of pallets and loads.

This electric pallet truck is the perfect tool to optimize loading and unloading operations, ensuring productivity and comfort in handling goods.

Product features:

Product short description:

[WATCH VIDEO HERE!](#)

The electric pallet truck **EPT-15D** combines performance, safety, and a compact design to facilitate the handling of heavy loads in tight spaces. It is an ideal solution for warehouses, factories, and logistics operations.
