

Opaque door chest freezer 300 liters BD-300 Digital

Product codes:

Reference: 1366

EAN13: -

UPC: -

Product description:

Material and Design

- **Robust construction:** Made with CP polyurethane as a blowing agent, ensuring excellent thermal insulation.
- **Opaque door:** Guarantees efficient preservation by preventing light entry.
- **Color:** Classic white, suitable for any environment.
- **Practical design:** Equipped with wheels for easy transport and mobility.

Capacities and Functionalities

- **Capacity:** 300 liters, ideal for storing large quantities of products.
 - **R600a refrigerant gas compressor:** Efficient and environmentally friendly, with a charge of 95 grams of R600a gas.
 - **Digital temperature display:** Allows for precise visualization and adjustment of internal temperature.
 - **Climate class:** SN, N, ST, suitable for temperate climates.
-

Technical Specifications

- **Power supply:** 220V AC / 50Hz.
- **Factory programmed cut-off temperature:** -32°C.
- **Cooling system:** Static.
- **External dimensions:** 1130 x 630 x 830 mm (width x depth x height).
- **Internal dimensions:** 980 x 480 x 650 mm (width x depth x height).
- **Net weight:** 46 kg.

Additional Features

- **Digital controller:** Precise temperature adjustment according to user needs.
- **No interior light:** Maintains simplicity and reduces electricity consumption.
- **Mobility:** Integrated wheels for easy movement.

Product Advantages

- **Large capacity:** Perfect for preserving large quantities of frozen food.
- **Energy efficiency:** R600a gas compressor, environmentally friendly and low consumption.
- **Digital control:** Monitoring and precise adjustment of temperature.
- **Robust construction:** Thermal insulation that ensures efficient performance even in demanding environments.

Product features:

Weight: 46Kg

Power Supply Voltage: 220-240V 50Hz

Power Watts: 150W

Capacity Liters: 300 Liters

Refrigerant Gas: R600a Gas Compressor

Model: BD-300 Digital

Temperature Range: -22°C

Measure: 1130x630x830mm

Door: Opaque

Number of doors: 1

Cold: Chest Freezer

Type of Door: Folding

Controller: Digital

Cold Hot Neutral: Freezing

Product short description:

The **BD-300 Digital Chest Freezer** is the perfect solution for preserving large volumes of frozen food in optimal conditions. With a capacity of **300 liters**, it offers a static cooling system and a digital controller that allows for precise temperature control. Its robust and functional design with wheels facilitates mobility, making it ideal for professional kitchens, supermarkets, and stores.
