

Black Refrigerated Countertop Cabinet 2 Sliding Glass Doors RB-220HS

Product codes:

Reference: 5062

EAN13: -

UPC: -

Product description:

• Material and Design

- **Exterior:** Made of laminated PVC sheet, durable and easy to clean.
 - **Interior:** Lined with laminated PVC sheet, designed for intensive professional use.
 - **Doors:** Sliding with double glazing to reduce cold loss and improve product visibility.
 - **Integrated lock:** Adds security to access the contents.
-

• Capacities and Features

- **Capacity:** 208 liters, ideal for storing and displaying refrigerated products.
- **Temperature range:** From +2°C to +10°C, adjustable via a digital controller.
- **Cooling system:** Ventilated condensation and forced evaporation, ensuring homogeneous cooling throughout the interior.
- **Evaporative tray:** Facilitates the automatic management of condensation water, reducing manual maintenance.

• Technical Specifications

-
- **External dimensions:** 900 x 536 x 840 mm (width x depth x height).
 - **Power supply voltage:** 220-240V AC / 50Hz.
 - **Refrigerant gas:** **R600a**, eco-friendly and low consumption.
 - **Compressor:** Brand **DOMPER**, known for its efficiency and durability.
 - **Number of doors:** 2 sliding glass doors.
-

- **Additional Features**

- **Digital controller:** Allows precise adjustment of temperature and defrost cycle.
- **Option for hinged doors:** Available on request to suit different space configurations.
- **No internal lighting:** Designed to optimize energy consumption.

- **Product Advantages**

- **Space-saving:** Sliding doors are ideal for areas with limited space.
- **Modern design:** The black finish makes it an attractive addition to counters and bars.
- **High energy efficiency:** Equipped with **R600a** gas and **DOMPER** compressor for efficient performance and low consumption.
- **Optimal organization:** Ideal for refrigerated products, with great accessibility thanks to its sliding doors.

OPTION WITH HINGED DOORS

Product features:

Power Supply Voltage: 220-240V 50Hz
Capacity Liters: 208 Liters
Refrigerant Gas: R600a Gas Compressor
Temperature Range: +2°C to +8°C
Door: Glass
Number of doors: 2
Cold: Overcounter Refrigerator Cabinet
Type of Door: Sliding
Controller: Digital
Color: Black
Cold Hot Neutral: Cooling

Product short description:

The **Black Refrigerated Countertop Cabinet RB-220HS** is ideal for keeping refrigerated products within reach of your customers while optimizing workspace. With a capacity of **208 liters** and an elegant black design, it is perfect for bars, restaurants, and cafés. Its **double glazed sliding doors** are practical for saving space and maintaining excellent visibility of the contents.
