# White Nylon Polyamide Tie Wraps 100x3mm

## 100 units

### Product codes:

Reference: REP0009220

EAN13: 8432453017045

UPC: -

### Product description:

Securing ties

Material: Polyamide 66 (Nylon)

Width: 3mm

Length: 100mm

Color: White

Material flammability: UL92-V2

Moisture absorption: 2.7%-2.8% (23°C-50%RH)

Working temperature: -40°C +85°C

Minimum installation temperature: -10°C

Maximum sustainable temperature for a short time: 110°C

Good resistance to bases, oils, fats, petroleum derivatives, and chloride solvents.

Limited resistance to acids

Not resistant to phenols.
