

Flexible Silicone Defrosting Heater L1000mm 15W 230V

Product codes:

Reference: REP0005450

EAN13: -UPC: -

Product description:

Flexible Silicone Defrosting Heater

L1000mm 15W 230V

Product features:

Power Supply Voltage: 220-240V 50Hz

Power Watts: 15W

Application: Armarío Frío

Cold Appliances Parts: Resistances

Type Resistance: Thawing Type Resistance: Silicone
