

SIT gas valve Novasit series 820 0820018 101908

Product codes:

Reference: 101908

EAN13: -

UPC: -

Product description:

gas valve SIT Novasit series 820 0820018

series Novasit 820

gas inlet 1/2"

gas outlet 1/2"

maximum inlet pressure 60 bar

manufacturer SIT

frequency 50 Hz

thermocouple connection M9x1

power supply 230 V

pilot connection M10x1

ignition pressure - mbar

blind pressure switch connection

adjustment range 3-30 bar

reference number 0.820.018

ignition burner outlet M10x1

weight 1.040 kg

RTFOC00095

Product features:

Application: Fryer
Application: Horno
Application: Tipping Frying Pan
