

gas valve series 820 230V 0820010 101162

**Product codes:**

Reference: 101162

EAN13: -

UPC: -

Product description:

gas valve series 820 230V 0820010 101162

Novasit series 820

gas inlet 1/2"

gas outlet 1/2"

manufacturer SIT

pressure range 3-30 mbar

frequency 50 Hz

thermocouple connection M9x1

power supply 230 V

pilot connection M10x1

ignition pressure 3-5 mbar

blind pressure switch connection

reference number 0.820.010

weight 1.040 kg

Product features:

Application: Fryer
Application: Horno
Application: Tipping Frying Pan
Compatible Brands: Silko
Compatible Brands: Capic
Compatible Brands: Zanussi
Compatible Brands: Link
Compatible Brands: Whirlpool
