

Dishwasher basket 40X40 GE-400 Marchef

Product codes:

Reference: 1070

EAN13: -

UPC: -

Product description:

General Description:

The basket dishwasher **40x40 GE-400** from Marchef combines efficiency, durability, and a compact design, ideal for professional hospitality environments. Manufactured entirely in Spain with high-quality components, this dishwasher ensures exceptional washing and rinsing results while optimizing water and energy consumption. Its ergonomic and robust stainless steel design guarantees a long service life and ease of cleaning.

Material and Design:

- **Stainless steel construction:** Ensures resistance, durability, and easy maintenance.
 - **Ergonomic design:** With double wall in the door to enhance safety and reduce noise.
 - **Rounded corners and linear shapes:** Facilitate cleaning by preventing the accumulation of grease and dirt.
-

Capacities and Features:

- **Basket dimensions:** 400 x 400 mm.
- **Maximum dish height:** 270 mm.
- **Production:** Capable of washing up to 30 baskets per hour.
- **Low water consumption:** Only **2-2.5 liters per cycle**, optimizing resources.
- **Washing cycle:** Complete in **120 seconds**, ensuring speed and efficiency in service.
- **Temperature regulation:**
 - Washing: **60 °C**.
 - Rinsing: **90 °C**.

Technical Features:

- **Tank capacity:** 15 liters (heating power: 2 kW).
- **Boiler capacity:** 5 liters (heating power: 2.8 kW).
- **Rotating washing and rinsing arms:** In the upper and lower parts for uniform washing.
- **Independent cold rinsing cycle.**
- **Automatic rinse aid dispenser** for perfect drying.
- **Electromechanical control panel:** Intuitive and easy to use.

Included Accessories:

- **2 baskets of 400 x 400 mm.**
- **1 dish holder.**
- **1 cutlery container.**

Additional Features:

- **Safety thermostat:** Ensures temperature stability.
- **Anti-return valve:** Prevents pressure problems in the installation.
- **Safety micro switch on door opening:** Increases operational safety.

Product Advantages:

- **High efficiency:** Low water consumption and fast cycles to optimize time and resources.
- **Compact and quiet:** Perfect for professional kitchens with limited space.
- **Robust and durable design:** Built to withstand intensive use.
- **Easy maintenance:** Simple access to components thanks to its intuitive design.
