

Hard Chrome Electric Griddle EG-820D

Product codes:

Reference: 1584

EAN13: -

UPC: -

Product description:

Material and Design

- **Body Material:** 201 SUS Stainless Steel, corrosion-resistant and easy to clean.
- **Plate Material:** Chrome coating, ensuring a non-stick surface and even heat distribution.
- **Plate Surface:** Completely flat, optimized for cooking multiple foods simultaneously.
- **Plate Thickness:** 10 mm, offering excellent heat retention and stability.

Capabilities and Functionalities

- **Cooking Area:** 728 x 400 mm, providing ample space for various preparations.
- **Temperature Range:** From **50°C to 300°C**, adapting to a wide variety of cooking techniques.
- **Independent Temperature Control:** Equipped with two adjustable thermostats up to 300°C and temperature limiters of 350°C for added safety.
- **Indicator Lights:**
 - **2 Power Lights** to indicate the operating status.
 - **2 Heat Lights** that signal when the surface reaches the desired temperature.

Technical Specifications

- **Voltage:** 220-240V / 50Hz or 110V / 60Hz.
 - **Power:** 4400W.
 - **Dimensions:** 730 x 464 x 245 mm.
-

-
- **Packaging Dimensions:** 810 x 535 x 310 mm.
 - **Net Weight:** 33.9 kg.
 - **Gross Weight:** 37.3 kg.

Additional Features

- **Precise Temperature Control:** Ideal for meats, fish, vegetables, and other foods.
- **Easy Maintenance:** The chrome surface facilitates daily cleaning and ensures optimal hygiene.
- **Ergonomic and Compact Design:** Perfect for kitchens with space constraints.
- **Robust Construction:** High-quality materials prepared for intensive use.

Product Advantages

- **High Efficiency:** The 4400W power allows for quick and even heating.
- **Chrome Surface:** Greater durability and less adhesion, ideal for prolonged work in professional kitchens.
- **Versatility:** Suitable for multiple cooking techniques, ensuring consistent results.
- **Guaranteed Safety:** Equipped with temperature limiters and a design that prevents accidents.

With the Professional Electric Griddle EG-820D, ensure maximum quality and efficiency in every cooking. An essential tool for any hospitality business.

Product features:

Power Supply Voltage: 220-240V 50Hz

Power Watts: 4400W

Type: After-dinner conversation

Material: Hard chrome

Model: DPL-818D

Model: DPL-818D

Measure: 550x470x230mm

Measure: 550x470x230mm

Heat: Frytop

Gas-Electric-Induction-Oil: Electricity

Surface: Lisa

Product short description:

The **Professional Electric Griddle EG-820D** is designed to meet the needs of professional and industrial kitchens, providing efficient and even cooking. With a completely flat surface coated in chrome, this griddle offers excellent heat transmission, durability, and ease of cleaning. It is the perfect solution for restaurants, catering services, and hospitality businesses that require high quality and reliability.
