

Safety thermostat 135°C WQS-135A2

Product codes:

Reference: REP0036030

EAN13: -

UPC: -

Product description:

Safety thermostat 135°C WQS-135A2
disconnection temperature 135 °C
number of poles 1 pole
switching power 16 A
probe diameter 6mm
probe length 60mm
capillary length 700mm
no cable gland
stainless steel bulb
weight 0.090 kg

Product features:

Disconnection Temperature: 235°C
Thermostat: Termostato de Seguridad
Application: Heat
