

safety thermostat disconnect temp. 230°C TC-1SB21PM DRNGF-8070

Product codes:

Reference: REP0036023

EAN13: -

UPC: -

Product description:

safety thermostat disconnect temp. 230°C TC-1SB21PM

disconnect temperature 230 °C

number of poles 2 poles

function 2NO

switching power 16 A

probe diameter 6 mm

probe length 125 mm

capillary length 1700 mm

capillary insulation length 45 mm

cable gland Yes

stainless steel bulb

Product features:

Capillary Length: 1700mm

Shop name

Application: Heat
Application: Fryer
Prensaestopa - Threaded Bulb: Sí
Compatible Brands: Eutron
Compatible Brands: Mmgszek
Fryer Parts: Safety Thermostat
