

Shop name

Convection Oven EC01-E Steam

Product codes:

Reference: 1722

EAN13: -

UPC: -

Product description:

Material and Design

- **201 Stainless Steel Exterior:** resistance to corrosion and easy cleaning.
-

-
- **Compact countertop design:** takes up minimal space and allows easy integration.
 - **Polished internal chamber** with high temperature resistant lighting.
 - **Double glass door** with side opening and tempered interior viewer.

Included Equipment

- **4 steel trays** (60 × 40 cm).
- **Spray system** (steam) with $\frac{3}{4}$ " rear water connection.
- **Digital control panel** with temperature regulator (0–350 °C) and safety thermostat.

Technical Specifications

- **Model:** EC01-E
- **Voltage:** 220-240 V / 50 Hz
- **Power:** 6 kW
- **External dimensions:** 880 × 800 × 600 mm
- **Chamber size:** 620 × 422 × 448 mm
- **Distance between guides:** 70 mm
- **Tray dimensions:** 58 × 40 cm (4 units)
- **Temperature range:** 0 °C to 350 °C

Additional Features

- **Uniform convection:** High-efficiency fan for even heat distribution.
 - **Steam function:** Improves texture and preservation of bread and pastries.
 - **Interior lighting:** Clear visibility of cooking without opening the door.
 - **Controls at base:** More useful space at the front and greater safety.
-

- **Easy maintenance:** Smooth surfaces, rounded corners, and polished chamber.
- **High safety:** Safety thermostat and double-glazed tempered door.
- **Versatility:** From bakery and pastry to rotisserie and catering.

Product features:

Power Supply Voltage: 220-240V 50Hz

Power Watts: 6000W

Interior measurements: 460x370x350mm

Measure: 590x650x560mm

Heat: Ovens

Gas-Electric-Induction-Oil: Electricity

Ovens: Convección con Vapor

Product short description:

Enhance your kitchen's efficiency with the countertop convection oven **EC01-E**! Compact yet powerful, it provides even heat circulation for perfect baked goods, roasted meats, and crispy snacks. Its electric convection system reduces cooking time while maintaining constant temperatures for professional results. Durable and easy-to-clean stainless steel exterior, ideal for bakeries, pastry shops, restaurants, cafes, and professional kitchens.
