

Single Electric Fryer EF604 400mm

Product codes:

Reference: 6017A

EAN13: -

UPC: -

Product description:

Material and Design:

- **Body, paneling, and tank in stainless steel AISI-304:** High resistance to corrosion and easy cleaning.
- **Compact and functional design,** suitable for placement on worktops.
- **Stainless steel basket:** Durable and equipped with a suspension mechanism to allow oil drainage after frying.
- **Drain tap:** Facilitates oil change and cleaning.

Included Equipment:

- **Tank with an 8-liter capacity,** ideal for medium-volume frying.
 - **Basket for each tank,** designed for comfortable and safe handling.
 - **Double control system:** Adjustable working thermostat and integrated safety thermostat.
-

-
- **Stainless steel drain tap** for easy disposal of used oil.

Technical Specifications:

- **Model:** EF604
- **Code:** 6017A
- **Equipment dimensions:** 400 x 600 x 265 mm
- **Capacity:** 8 liters
- **Total power:** 7,500 W
- **Voltage:** 380/400 V, 50/60 Hz (three-phase)
- **Gross weight:** 19 kg
- **Packing volume:** 0.10 m³
- **Energy:** Electric

Additional Features:

- Thermal efficiency to reach and maintain optimal frying temperature.
- High safety thanks to dual thermal control.
- Removable components for quick and comprehensive maintenance.
- Professional and compact design, adaptable to different kitchen spaces.
- CE certification for safety and quality.

Product features:

Fund: 600mm

Power Watts: 7500W

Type: After-dinner conversation

Number of Breasts: 1 sine
Capacity Liters per Tank: 8 Liters
Heat: Fryers
Gas-Electric-Induction-Oil: Electricity

Product short description:

High-performance electric fryer designed for professional kitchens. Completely made of stainless steel AISI-304, it offers durability, hygiene, and ease of maintenance. Ideal for restaurants, bars, and fast-food services that require a reliable piece of equipment for intensive frying.
