

Double Gas Fry-Top Series 600 DRNGI-8060 800mm

Product codes:

Reference: 6322D

EAN13: -

UPC: -

Product description:

Material and Design

- **Stainless steel structure**, durable, hygienic, and easy to clean.
 - **12 mm hard chrome smooth plate**, with great thermal conductivity and durability.
 - **Cooking surface**: 740 x 440 mm, wide and even.
 - **Piezoelectric ignition** with **pilot flame** for quick and safe ignition.
 - **Removable grease drawer** for easy cleaning.
 -
-

Adjustable legs for correct leveling of the equipment on any surface.

-

Ergonomic and compact design, optimizes workspace while maintaining high cooking capacity.

Included Equipment

-

12 mm hard chrome smooth cooking plate.

-

Integrated grease drawer.

-

Piezzoelectric ignition system with pilot flame.

-

Height-adjustable legs.

-

Compatible with **natural gas (NG)** or **LPG (LPG)**.

-

Safety valve with flame failure cut-off system.

Technical Specifications

-

Model: DRNGI-8060

-

Reference: 6322D

-

Installation type: Countertop

-

Power type: Gas (LPG or Natural)

-

Power: 14 kW

-

NG consumption: 1.372 m³/h

-

LPG consumption: 1.111 kg/h

-

Useful cooking surface: 740 x 440 mm

-

Plate thickness: 12 mm

-

Plate material: Hard chrome

-

Ignition system: Piezoelectric with pilot flame

-

Safety system: Gas cut-off on flame failure

-

Construction material: Stainless steel

-

Adjustable legs: Yes

-

Grease drawer: Yes

-

Dimensions (mm): 800 x 630 x 300

-

Net weight: 74 kg

-

Volume: 0.22 m³

Additional Features

-

High cooking capacity thanks to its extended surface of 740 mm.

-

Thick hard chrome plate (12 mm), ideal for intensive use.

-

Even heat distribution, improves energy efficiency and product quality.

-

Safe and fast ignition, thanks to the piezoelectric system with pilot flame.

- **Flame failure safety system**, ensures reliable use.
- **Wide grease tray**, facilitates work and cleaning.
- **Easy maintenance**, with easy access to components and easy-to-clean materials.
- **Compatible with LPG or natural gas**, adaptable to different installations.
- **Professional construction** for demanding hospitality and catering environments.

Product features:

Width: 800
Fund: 630mm
Power Watts: 14000W
Type: After-dinner conversation
Material: Hard chrome
Heat: Frytop
Gas-Electric-Induction-Oil: Gas
Burner - Stove: 2
Surface: Lisa

Product short description:

Countertop gas fry-top with a **hard chrome cooking plate** of large surface, ideal for professional kitchens that require high productivity. Its stainless steel structure and piezoelectric ignition system with pilot flame ensure durability, safety, and consistent performance. Perfect for even cooking of meats, fish, and vegetables.
