# 4-burner gas stove tabletop Series 600 DRNGO-6060 600mm

## Product codes:

Reference: 6312D

EAN13: -

UPC: -

## Product description:

### Material and Design

- **Stainless steel body**, resistant to corrosion and easy to clean.
- **Reinforced monoblock top cover**, with rounded edges for greater hygiene and safety.
- **Compact design**, intended for tabletop use in reduced spaces.
- **Chrome-plated burners**, with high calorific power and balanced flame.
- **Ergonomic controls**, accessible even during intensive service.

---

### Included Equipment

- 4 chrome-plated burners with **individual pilot flame**.
  - Piezoelectric ignition system.
  - **Safety valves with thermocouple**, on all burners.
  - Adjustable feet for leveling.
-

- 
- Prepared for **LPG (Liquefied Petroleum Gas)**, with conversion kit for **natural gas (NG)**.

---

### Technical Specifications

- **Model:** DRNGO-6060
- **Reference:** 6312D
- **Installation type:** Tabletop
- **Number of burners:** 4
- **Power type:** Gas (LPG or Natural)
- **Total power:** 20 kW
- **NG consumption:** 1.960 m<sup>3</sup>/h
- **LPG consumption:** 1.587 kg/h
- **Ignition system:** Piezoelectric with pilot flame
- **Safety system:** Thermocouple with gas cutoff in the event of flame failure
- **Construction material:** Stainless steel
- **Cooking surface:** Monoblock top with rounded edges
- **Dimensions (mm):** 600 x 630 x 300
- **Net weight:** 44 kg
- **Volume:** 0.22 m<sup>3</sup>

---

### Additional Features

- **Pilot flame on each burner**, for greater convenience and speed of use.
  - **Gas cutoff safety system in the event of flame failure**, on each valve.
  - **High combustion efficiency**, with burners that distribute heat evenly.
-

- 
- **Robust and compact design**, ideal for professional environments with limited space.
  - **Stainless steel monoblock cover**, hygienic and easy to maintain.
  - **Adjustable feet**, to adapt to any work surface.
  - **100% professional construction**, prepared for daily intensive use.
  - **Compatible with LPG or Natural Gas**, according to user needs.

#### Product features:

Width: 600

Fund: 630mm

Power Watts: 20000W

Type: After-dinner conversation

Heat: Kitchens

Gas-Electric-Induction-Oil: Gas

Burner - Stove: 4

#### Product short description:

Professional gas stove with **4 high-performance burners**, ideal for industrial kitchens that require maximum productivity in optimized spaces. With a compact tabletop design and fully constructed in stainless steel, it offers durability, efficiency, and safety. Perfect for restaurants, caterings, and high-paced industrial kitchens.
