

Solenoid Valve NC 2W-160-15 220VAC

Product codes:

Reference: REP0002072

EAN13: -

UPC: -

Product description:

Solenoid Valve NC 2W-160-15 220VAC

Compatible Medium water - air - oil - gas

Material Brass

Normally closed

Length 43mm

Total height 85mm

Gasket material NBR Viton

Protection IP65

Pressure 0-10bar

Temperature from 0-120°C

Coil voltage 220VAC

Inlet outlet 1/2" - 1/2" female DN12

Thread G - BSP

Product features:

Power Supply Voltage: 230V AC
Application: Vacuum Packaging Machine
Application: Universal
Ring: 1/2" H - 1/2" H
Compatible Brands: Ramón
Vacuum Packaging Parts: Solenoid valves
Electrical Components: Solenoid valves
Solenoid valves: Single magnetic valve
Pressure: 2 bar
Nominal Diameter: DN12
