Product description:

Degreaser WD-40 Specialist 500ml 34465 Rapid Action

NSF K1 Certification: Suitable for use in the food industry and environments that require high hygiene standards.

Effectively degreases oil, grease, dirt, and grime, providing a deep and quick clean.

Works immediately, removing persistent residues with just a few seconds of application.

Easy to clean: Leaves no residue and is easy to remove with a clean cloth.

Evaporates quickly, ensuring that surfaces are dry and ready to be lubricated or used without long waits.

Prolongs the lifespan of components and gears by reducing wear and keeping mechanisms in optimal condition.

Uses and applications

Degreasing of power and hand tools: Removes grease and dirt residues from tools to improve their performance.

Engine cleaning: Ideal for removing oil and grease from engines, ensuring their efficiency.

Removal of grease from chains, plates, and sprockets: Keep bicycle or machinery parts free of accumulated grease, ensuring their good condition.

Cleaning of industrial machinery: Perfect for degreasing and cleaning heavy machinery or industrial equipment.

Cleaning of printing presses: Removes grease and oil from presses without damaging components.

Removal of floor grease: Effective for cleaning grease stains on industrial floors or workshops.

Product features:

Application: Universal
