## Product description:

Diamond-cut stainless steel table cover, 80x80cm, fully coated, 19mm thick

This table cover features a fully coated stainless steel surface, including edges and sides, ensuring maximum hygiene, moisture resistance, and a long-lasting professional finish.

The diamond-cut pattern on the surface provides strength, durability, and a professional look. Ideal for table repairs.

This product is only the cover; it does not include legs or frame.
