

magnetic valve brass 3-way 230V body cone exterior DN 1.2mm

Product codes:

Reference: 370060

EAN13: -

UPC: -

Product description:

magnetic valve brass 3-way 230V body cone exterior DN 1.2mm

female connector DIN

number of ways 3 ways

supply 230 VAC

body cone exterior

nominal diameter 1.2 mm

female connector DIN

temperature range -20° to 140 °C

manufacturer PARKER

series VE-128

type of coil YB09 with cable

membrane Viton

max pressure 10 bar

material brass

flange dimensions 32x32 mm

Adaptable for the following manufacturers

Expobar, Fracino, Lucifer, Parker, Vibiemme
