

Conector schuko de goma IP44

Product codes:

Reference: 550200

EAN13: -

UPC: -

Product description:

3-pole connector completely made of rubber countries D/F/B/I protection type IP44
connector type CEE7/7 type E+F
construction type straight
number of poles 3 poles
contacts P+N+T
maximum current intensity 16 A
maximum voltage 230 V
protection degree IP44
material completely made of rubber
countries D/F/B/I

Product features:

Electrical Components: Clavijas
