

thermostat operating range -35 to +35° type TSC093

Product codes:

Reference: 390012

EAN13: -

UPC: -

Product description:

Thermostat operating range -35 to +35°C bulb ø 6mm bulb length 110mm type TSC093

Operating range -35 to +35 °C

Probe diameter 6 mm

Probe length 110 mm

Capillary length 1500 mm

Manufacturer IMPORT

Type TSC093

Product features:

Thermostat: Termostato de Control

Thermostat: Analog Cold Thermostat

Maximum Temperature: 35°C
