

Clamp 16-18mm width 10mm Galvanized Steel Mikalor

Product codes:

Reference: REP0007012

EAN13: -

UPC: -

Product description:

Clamp 16-18mm width 10mm Galvanized Steel Mikalor

Thanks to the steel used, it allows good deformation, adapting perfectly to the tube with a firm yet careful tightening.

Especially used in applications with low-pressure gaseous fluids.
