Product description:

Forged knife with a serrated blade on one side that allows for easy cutting of bread.

The long, strong blade's teeth **break the crust of the bread**, allowing for clean slices of bread with minimal effort. The cut achieved with a serrated knife is impeccable.

Sturdy bread knife, slightly rigid with a special serration system to avoid crushing soft-textured foods such as cakes, providing more precision in cutting.

Robust bread knife thanks to its **one-piece connection between the blade and the handle**.

Knife with a full tang blade made of **forged steel** (Molybdenum-Vanadium) with a **POM handle** in black, dishwasher safe.

Dimensions:

- Blade length: 20 cm.
