Product description:

5-Finger Glove made of Stainless Steel Mesh.

The ring mesh is made of 0.55 mm chromium-nickel steel wire, with a mesh diameter of 2.9 mm. Anatomically perfect shape, very adaptable and comfortable for the hand, suitable for both right-handed and left-handed users.
The retention bands are made of resistant, adaptable, and hygienic LATEX, easy to replace by the user. Color-coded for each glove size.
