

high voltage capacitor for microwaves 0.95 μ F type CH85-21115 HCH-212100 2100V 50/60Hz triple 365182

Product codes:

Reference: 365182

EAN13: -

UPC: -

Product description:

high voltage capacitor for microwaves 0.95 μ F type CH85-21115 HCH-212100 2100V 50/60Hz
triple 365182

adaptable to microwaves

capacitance 0.95 μ F

type CH85-21095 HCH-212100

voltage 2100 V

frequency 50/60 Hz

connector type triple

Faston connector splice 6.3mm

length 100 mm

height 33 mm

width 52 mm

mounting dependent on appliance

material aluminum

ACP 53001566, 53001747, 53002017, 54116054

Shop name

Product features:

Application: Microwave

Capacitance μF : 0.95 μF

Condenser: High Voltage

Compatible Brands: ACC

Compatible Brands: ACP

Microwave Parts: Condenser

Electrical Components: Condenser
