

high voltage capacitor for microwaves 1.1 μ F type CH85-21110 2100V 50/60Hz double 365184

Product codes:

Reference: 365184

EAN13: -

UPC: -

Product description:

high voltage capacitor for microwaves 1.1 μ F type CH85-21110 2100V 50/60Hz double 365184

adaptable to microwaves

capacity 1.1 μ F

type CH85-21110

voltage 2100 V

frequency 50/60 Hz

double connector type

Faston connector splice 4.8mm

length 90 mm

height 33 mm

width 52 mm

mounting dependent on appliance

material aluminum

ACP 58101019

Shop name

Product features:

Application: Microwave

Capacitance μF : 1,1 μF

Condenser: High Voltage

Microwave Parts: Condenser

Electrical Components: Condenser
