

Tangential fan roller ø 45mm 601456

Product codes:

Reference: 601456

EAN13: -

UPC: -

Product description:

roller diameter 45 mm

roller length 180 mm

laminated core thickness 15 mm

motor position right

power supply 230V/50Hz

power 26 W

universal application field

silicone bearing

Faston connector joint 6.3mm

temperature range -30 to +100 °C

frequency 50/60 Hz

voltage 230 V
