

silicone tube for peristaltic pump int.ø 4mm ext.ø 8mm L 5m wall thickness 2mm max T 200°C 361608 1 meter

Product codes:

Reference: 361608

EAN13: -

UPC: -

Product description:

silicone tube for peristaltic pump int.ø 4mm ext.ø 8mm L 5m wall thickness 2mm max T 200°C
361608 1 meter

version for peristaltic pump
internal diameter 4 mm
external diameter 8 mm
length 1 m
wall thickness 2 mm
maximum temperature 200 °C
Shore A hardness 55 °
color transparent
application field dosing systems
packaging unit 1 meter

Product features:

Application: Washing
Dishwasher Parts: Flexible Tube
Dishwasher Parts: Dosing parts
