

Refrigeration Cabinet AGBS-600R INOX 5076E

1 Door

Product codes:

Reference: 5076E

EAN13: -

UPC: -

Product description:

- External structure in stainless steel
- Interior in thermoformed plastic
- Polyurethane insulation 40kg/m³
- Digital thermostat with automatic defrost
- Static cooling assisted by fan

Product features:

Weight: 85 Kg

Shop name

Power Supply Voltage: 230/50Hz
Power Supply Voltage: 186 W
Refrigerant Gas: R600a Gas Compressor
Temperature Range: -1°C / +6°C
Measure: 780x745x1865 mm
Door: Opaque
Number of doors: 1
Cold: Refrigerador 1 Puerta
Type of Door: Folding
Controller: Digital
Specials: For Generalized Use
