

AGBS-600C INOX Freezer Cabinet

Product codes:

Reference: 5077E

EAN13: -

UPC: -

Product description:

- External structure in stainless steel
- Interior in thermoformed plastic
- Polyurethane insulation 40kg/m3
- Digital thermostat with automatic defrost
- Cooling through static evaporation on the seven shelves

Product features:

Weight: 88 Kg

Power Supply Voltage: 230/50Hz

Power Supply Voltage: 186 W

Shop name

Refrigerant Gas: R290 Gas Compressor

Temperature Range: -22°C / -15°C

Measure: 780x745x1865 mm

Door: Opaque

Number of doors: 1

Cold: Armario Congelador 1 Puerta

Type of Door: Folding

Controller: Digital
