

service capacitor capacity 40μF 400V tolerance
5%

Reference: 365022-1

EAN13: -

UPC: -

Product description:

service capacitor capacity 45μF 400V tolerance 5%

voltage 400 V

plastic material

mounting type M8

Faston 6.3mm connector joint

diameter 38 mm

length 90 mm

construction type

type -

version

protection degree -

tolerance 5 %

frequency - Hz

capacity 45 μF

maximum ambient temperature -25 to + 85 °C

Product features:

Capacitance μF : $40\mu\text{F}$

Shop name

Condenser: To Start
