

White RT-98L refrigerated showcase

Product codes:

Reference: 3135

EAN13: -

UPC: -

Product description:

- **Efficient and elegant display:**

The **RT-98L** showcase guarantees an impeccable presentation thanks to its design with glass sides and LED lighting on **four sides**. Its front self-service door facilitates access to the products, making it ideal for cafes, shops, and other hospitality businesses.

Optimized performance:

- **Ventilated cooling:** Maintains a uniform temperature throughout the interior, ensuring that products stay fresh.
 - **Adjustable temperature:** Variable digital thermostat with a stable temperature range between **2°C and 12°C**, ideal for a wide variety of foods and beverages.
 - **Automatic defrost:** Prevents ice buildup, simplifying maintenance and maximizing efficiency.
-

Functional design:

- **Adjustable shelves:** Includes **4 shelves** that can be adapted to store products of different sizes.
- **Compact and versatile:** With dimensions of **428 x 386 x 1100 mm**, it is perfect for small spaces without compromising capacity.
- **Wheels:** Facilitates the movement of the equipment (in the RT-235L model).
- **Integrated lock:** Provides additional security to protect the contents.

High-quality construction:

Made of ABS and PVC with an elegant white finish, ensuring durability and ease of cleaning. Designed to withstand ambient temperatures of up to **32°C**, it perfectly adapts to demanding environments.
