

MG-22 Meat Grinder Stainless Steel

Product codes:

Reference: 1407C

EAN13: -

UPC: -

Product description:

- Auger and Nut in stainless steel
 - Made of stainless steel, with a polished structure, strictly complying with hygiene standards and regulations.
 - Features a spiral helix design, difficult to jam, ensuring proper operation.
 - Motor with fan and precision gear unit, with overload protection.
 - Included: 1 auger, 1 enterprise blade of 22, 1 plate with 8mm drill pivot, 1 pusher hammer.
 - Grinding capacity: 250 Kg/hour
 - Diameter of 22 inches
 - Motor 1100W
 - Voltage 220V-50Hz
 - Dimensions 490x340x435mm
 - Three-position rotary switch. Start - stop - reverse.
 - 170 rpm
 - Weight 27.5 Kg
 - Mouth closure by lever
 - Cable 1500mm 3x1.5mm² Schuko connection
 - CE Certified
 - Mouth M95 Step 2
-

- Nut M93 step 2

Product features:

Power Supply Voltage: 220V - 50Hz

Horsepower: 1100W

Measure: 490x340x435mm

Prepared-Cut-Chopped: Grinders
