

Double Electric Toaster EQO-360

Product codes:

Reference: 1802

EAN13: -

UPC: -

Product description:

- **Main Features:**

- **Stainless Steel Design:**

- Robust and durable construction for intensive use.
 - Easy cleaning and maintenance thanks to its **removable crumb tray**.

- **Quartz Resistance Heating System:**

- **9 quartz resistances** that ensure homogeneous and efficient toasting.
 - **Distribution in 3 levels**, with **independent control** via **3 switches**, allowing precise adjustment based on the amount of product.

- **Capacity and Functionality:**

- **Two rack levels**, optimizing toasting space.
- **Includes 2 racks of 355 x 250 mm** for greater production capacity.

Technical Specifications:

- **Dimensions:** 440 x 280 x 410 mm
- **Material:** Stainless steel
- **Levels:** 2
- **Heating Elements:** 9 quartz resistances in 3 levels
- **Crum Tray:** Yes, removable
- **Switches:** 3 (one for each heating level)
- **Power Supply Voltage:** 220-240V AC
- **Power:** 3,150 W

Advantages:

- ? **Fast and even heating thanks to the quartz resistances.**
- ? **Independent temperature control at each level.**
- ? **Stainless steel structure for maximum durability.**
- ? **Professional design with crumb tray for easy maintenance.**
- ? **Perfect for bakeries, cafés, and high-volume kitchens.**

This **double electric toaster** is the ideal choice for establishments seeking **efficiency, speed, and control in toasting bread and other foods**, guaranteeing **professional results** with each use.

Product features:

Power Supply Voltage: 220-240V 50Hz

Power Watts: 3150W

Measure: 440x280x410mm

Measure: 440x280x410mm

Heat: Toasters-Salamanders

Gas-Electric-Induction-Oil: Electricity

Product short description:

The **Double Electric Toaster EQO-360** is designed to deliver optimal performance in **professional kitchens, bakeries, and cafés**. Its system of **9 quartz resistances distributed across 3 levels** allows for **uniform and fast toasting**, optimizing productivity in service.
