

Crepe Resistance EC 3000W 230V Ø315mm M4 fastening distance 180mm

Product codes:

Reference: REP0080031

EAN13: -

UPC: -

Product description:

3000W Crepe Resistance EC-1 EC-2

power 3000 W

voltage 230 V

height 70 mm

tube diameter 10 mm

screw connection metric 4mm

type of application

number of spirals 1

outer diameter 300 mm

application crepe maker

Shop name

Product features:

Power Supply Voltage: 220-240V 50Hz

Power Watts: 3000W

Application: Crepe maker

Crepe Maker Parts: Resistances

Type Resistance: Dry
