

rotor Ø 85mm H 29mm support d'arbre Ø 9/8mm pales 6 Comenda, Elframo, Komel, Mach 00210029

Codes produits :

Référence 511210

EAN13 : -

CUP : -

Description du produit :

rotor Ø 85mm H 29mm support d'arbre Ø 9/8mm pales 6 Comenda, Elframo, Komel, Mach
00210029

diamètre 85 mm

hauteur 29 mm

support d'arbre 9/8 mm

quantité de pales 6

caractéristiques du produit :

Description brève du produit :

FIG. 4

Assembly of the test rig. The diagram illustrates the components and their assembly for a pump test rig. Key parts labeled include:

- 1. Pump
- 2. Motor
- 3. Pipe
- 4. Fitting
- 5. Valve
- 6. Pressure sensor
- 7. Flow meter
- 8. Temperature sensor
- 9. Data logger
- 10. Control unit
- 11. Power supply
- 12. Grounding
- 13. Safety guard
- 14. Warning label
- 15. Assembly instructions

The diagram shows the pump and motor connected to a network of pipes and fittings, with various sensors and measurement devices integrated into the system. A legend indicates that blue lines represent the pump and motor, and red lines represent the pipes and fittings.
