

high voltage capacitor for microwaves 1 μ F type CH85-23100 2300V 50/60Hz double 174700000000688

Product codes:

Reference: 365239

EAN13: -

UPC: -

Product description:

high voltage capacitor for microwaves 1 μ F type CH85-23100 2300V 50/60Hz double
adaptable to microwaves

capacitance 1 μ F

type CH85-23100

voltage 2300 V

frequency 50/60 Hz

connector type double

connector splice Faston 4.8mm

length 110 mm

height 33 mm

width 52 mm

mounting dependent on appliance

material aluminum

construction type

packaging unit 1 pcs

diameter - mm

Shop name

Product features:

Application: Microwave

Capacitance μF : 1 μF

Condenser: High Voltage

Microwave Parts: Condenser

Electrical Components: Condenser
