

tangential fan roller ø 50mm L roller 300mm motor position right

Product codes:

Reference: 601614-1

EAN13: -

UPC: -

Product description:

tangential fan roller ø 50mm L roller 300mm motor position right

power 33 W

voltage 230 V

motor position right

roller diameter 50 mm

roller length 300 mm

temperature range -30 to +100 °C

connection F6.3

type TFR 45

airflow 265 m³/h

universal application field

power supply 230V/50Hz

frequency 50 Hz
